DR. AMIT BHARDWAJ

Periodontal Health Care Convener

DR. GIRISH BHUTADA

From the Organisers desk....

The field of Periodontology is in a constant state of evolution, seamlessly translating advances in basic research, pathophysiology, the ever evolving field of implantology into meaningful clinical practice. Acknowledging the challenge faced by budding postgraduate students in consolidating a vast syllabus within a limited timeframe, the Indian Society of Periodontology (ISP) has once again bestowed upon D.A.V. (C) Dental College, Yamuna Nagar, the privilege of hosting the prestigious "RAPID REVISION PROGRAMME - SAMEEKSHA 2026."

Meticulously designed, this program offers postgraduate students a comprehensive and structured platform to revisit the entire syllabus, refine their understanding, and approach their upcoming examinations with enhanced confidence and clarity. Spread over three academically enriching days, the program will feature dynamic and interactive sessions led by eminent experts in Periodontology from across the country, fostering both conceptual depth and clinical insight.

We cordially invite you to be a part of this distinguished academic initiative and contribute to a shared vision of learning excellence, and professional growth. Your valued presence will undoubtedly enrich the discourse and elevate the exchange of knowledge.

Warm regards,
Organising Team
Sameeksha 2026
